## J. B. DUKE AND PARTY LEAVE THIS MORNING

FOR GREENVILLE AFTER  
SPENDING THE NIGHT  
HERE

## INSPECTION T O U R

Partly Included Officials of Pied-  
mont and Northern and South-  
ern Power Company.

Officials of the Piedmont & North-  
ern lines and the Southern Power  
company, who arrived in the city on  
a special interurban car yesterday  
afternoon at 2 o'clock, leave this  
morning at 7:30 for Greenville.  
Those in the party include Messrs.  
J. B. Duke of New York, president  
of the two companies; Walker In-  
mann, Mr. Duke's stepson; C. L.  
Burkholder, general manager of the  
Southern Power; W. S. Lee, vice  
president of the same company,  
and of the Piedmont & North-  
ern lines; E. Thomason, vice president  
and general manager of the  
Piedmont & Northern; J. W. Fox,  
mill power engineer of the Southern  
Power company; C. W. Crosby, train  
master and C. S. Allen, traffic man-  
ager.

Mr. W. S. Lee stated last night  
that this was only an inspection trip  
and that about a week or ten days  
would be spent in looking over the  
Piedmont & Northern lines and the  
property of the Southern Power com-  
pany. Mr. Duke was in this section  
having gone to Macon, Ga., where  
the remains of Mrs. Duke's mother,  
Mrs. Bolt, were interred. The party  
left Macon Tuesday and went to  
Greenwood over the Seaboard, where  
they spent the night. They came  
from Greenwood to Anderson yester-  
day.

Directly after reaching the city  
yesterday afternoon the party left in  
automobiles for Portman Shoals. On  
the trip they were accompanied by  
Messrs. H. A. Orr, manager of the  
Anderson branch of the Southern  
Public Utilities company, Mr. B. B.  
Gossett, a director of the Piedmont  
& Northern and Mayor Godfrey. This  
was Mr. Duke's first visit to the  
power plant since it had been re-  
built and he expressed himself as be-  
ing very much pleased.

The party returned to the city yester-  
day afternoon about 5 o'clock and  
after talking over matters in general  
in Mr. Orr's office they went to their  
special car which was on the siding  
near the freight depot.

Today will be spent in and around  
Greenville and on Friday the party  
will go to Spartanburg. They will  
remain in this section until Septem-  
ber 15th, the date for the directors'  
meeting at Chick Springs.

## CIRCUS IN TOWN SATURDAY

Hagenback & Wallace's Three Ring  
Circus at the Palmetto.  
Knowing the fondness of the small  
boys and girls, not to mention the  
hankering of the old folks, who al-  
ways say, "No, I don't want to go to  
the circus, but I guess I'll have to  
go, to take the kids." Manager Pink-  
ston of the Palmetto has contracted  
for a rattling good motion picture of  
the Hagenback & Wallace three ring  
circus for next Saturday. This is  
quite a feature picture, and is a real  
education in itself in the manner in  
which a circus is conducted, and  
handled in every way.

## VERDICT OF GUILTY IN CLYDE DEVLIN CASE

MUCH LOCAL INTEREST WAS  
SHOWN IN THIS  
TRIAL

## BOWDEN IS GUILTY

Care of Oscar Corly, Indicted for  
Assault and Battery With In-  
tent to Kill Being Tried.

Yesterday afternoon when court  
adjourned for the day the case of the  
state versus Oscar Corley was being  
tried. The negro, it will be remem-  
bered, is charged with shooting into  
the house of Phate Sherard, a negro  
at Iva some few days ago. The ne-  
gro did not employ a lawyer and put  
up his own defense. He had his  
questions which he asked the wit-  
nesses all written off and many times  
the questions or their answers evoked  
much laughter. When 6:30 o'clock  
came all of the state's witnesses and  
all except one of the defense had been  
examined. This other witness was  
not present and if he is not there  
when court convenes this morning,  
the case will go to the jury.

Clyde Devlin, the negro charged  
with assault and battery with intent  
to kill, was tried yesterday and the  
case occupied the attention of the  
court for the greater part of the day.  
Yesterday afternoon about 5 o'clock  
the jury rendered a verdict of guilty.  
It will be remembered that Devlin  
was charged with making a murder-  
ous assault on Mr. Frank Diver at  
Mortimer Sloan's coal yard. There  
was much local interest shown in the  
trial.

J. H. Bowden Case.  
The case of J. H. Bowden, indicted  
for malicious injury to trees  
which occupied the court nearly all  
of Tuesday afternoon and part of yester-  
day morning resulted in a verdict  
of guilty with damages not exceed-  
ing \$20.

The grand jury returned the fol-  
lowing bills yesterday:

W. R. Cobb charged with dispos-  
ing of property under lien. No bill.  
Baxter Hudgens, assault and bat-  
tery with intent to kill and carrying  
concealed weapons. True bill.

W. N. Kelly, obtaining goods un-  
der false pretences. True bill.

Oscar Corley, assault and battery  
with intent to kill and carrying con-  
cealed weapons. True bill.

G. A. Bagwell, criminal assault,  
no bill.

Laura Nell, assault and battery  
with intent to kill. No bill.

George Harris, violation dispensary  
law. No bill.

posing property under lien. No bill.

month law. True bill.

George Nally, non-support of wife  
and family. True bill.

Ralph Black, assault with intent to  
ravish. True bill.

George Harris, violation dispensary  
law. True bill.

Ralph Black, buggery. True bill.

The Southern Power company is

power plants all over this section and  
furnishes electricity to numerous  
mills, cities, and railway lines.

This company is also just complet-  
ing the Eno steam station at Univer-

operation about the 18th of October.  
Another big power plant that will  
supply approximately 40,000 horse-  
power is the one on Fishing Creek,  
near Chester. This plant is nearing  
completion and will be put into op-
